

# Willow Bend Lakes

Dear WBL Pet-owner,

Willow Bend Lakes has decided to create a pet registry to ensure all of our four-legged residents are able to get home safely when these miniature escape artists get out on their own. The quickest way to reunite you and your pet is by posting the pet registry on our Website. Once this is set up anyone that finds a loose pet with no identification will be able to go to [www.willowbendlakes.com](http://www.willowbendlakes.com) to see if it belongs to one of our homeowners and able to contact the owners.
